ECONOMICAL KEY SECURITY SOLUTIONS

## QUICK FIT SMART-KEY™

makes adding or removing keys  
as simple as a *snip and click...*

Newly designed ring option for KeyWatcher® & KeyBank® users...  
*saves time and money.*

- Ideal for multi-family housing, apartments and the automotive industry
- Enables users to add & remove keys faster and is less costly to replace than our ultra-secure, steel ring alternative
- The Quick Fit ring makes it possible for personnel to reuse the Smart-Key™ an unlimited number of times
